CAREER OBJECTIVE

- Enthusiastic and detail-oriented aspiring developer with a strong foundation in Core Java and SQL, seeking an entry-level opportunity to apply programming skills, learn modern web technologies, and contribute to building efficient software solutions.

EDUCATION

- **Knowledge Institute of Technology** — Salem, India
  B.E. in Computer Science and Engineering; CGPA: 8.00 — *OCT 2021 – MAY 2025*

- **Government Higher Secondary School** — Namakkal, India
  12th Grade – Computer Science; Percentage: 86% — *JUN 2020 – MAY 2021*

TECHNICAL SKILLS

- **Programming Languages**: C,Java, JavaScript, HTML, CSS
- **Backend**: Spring Boot, Spring , Hibernate
- **Databases**: MySQL, SQL
- **Tools**: Git, GitHub, Eclipse, VS Code, IntelliJ

PROJECTS

- **Complaint Registration System** : Developed an intuitive web platform allowing students to submit and monitor complaints. Built a real-time administrative dashboard to streamline issue management and resolution, enhancing overall efficiency.
- **Movie Showcase Website** : Designed and implemented a responsive movie showcase platform featuring a curated catalog. Included comprehensive details for each title such as description, genre, and release date.
- **Food Delivery App** : Created a clean, user-centric interface for a food delivery application, enabling smooth browsing, ordering, and real-time tracking of meals from local restaurants.

INTERNSHIP EXPERIENCE

- **Software Development Intern at Cognifyz** : Developed a word game application and a task assignment system in Java, leveraging OOP principles and optimizing code for better performance. Collaborated on debugging, testing, and delivering scalable solutions aligned with user requirements.
- **Web Development Intern at Edu Phoenix Solutions** : Completed intensive training in HTML, CSS, and JavaScript during a one-month virtual program, culminating in the development of an interactive Movie Showcase Website that enhanced user engagement.

CERTIFICATIONS

- **SQL** : Oracle
- **Java Programming** : Ebox
- **GIT** : Simplilearn
- **Full Stack Java Developer:**: Jspiders (In Progress)

ACHIEVEMENTS

- **Ball Badminton**: A ball badminton player in college who has excelled in the sport, showcasing skill and dedication, and has won a prize at the zonal level.
- **Hackathon Volunteer**: Supported university-level hackathons by managing logistics and handling technical setups.

VOLUNTEER EXPERIENCE

- **NSS member** — Salem, India
  An NSS member organizing events like blood donation and medical camp.

- **Event Coordinator – Tech Meetups** — Salem, India
  Managed event planning, speaker coordination, and technical setup.
